Proposed Four-Year Degree Plan

The following is an example 8-semester plan. This is used to illustrate the course sequencing and the expectations for course loading. Students may use this as a guide as they plan their undergraduate education, but should adjust it to fit their personal goals. Students are responsible for completing requirements in the official degree sheet for each major. It is mandatory for a student to meet with an academic advisor prior to course enrollment each semester.

All music majors must successfully complete an entrance audition, upper-division theory examination, keyboard proficiency examination, and six semesters of MUSI 0500 Recital Attendance.

**Assumption:** Entering students have 2 years of a foreign language from high school.

**Current Course Rotation:** (F) = Fall only  (S) = Spring only

Students must refer to the Registrar’s website for the availability of course offerings as well as visit with their academic advisor to find out about any special offerings.
