American Bar Association Legal Opportunity Scholarship Fund

The ABA Legal Opportunity Scholarship grants 20 incoming diverse law students with $15,000 of financial assistance over the course of their three years in law school. During his term as ABA President, William G. Paul initiated the scholarship to encourage racially and ethnically diverse students to apply to and attend law school.

Since its inception, 200 students from across the country have received the ABA Legal Opportunity Scholarship. These exceptional recipients have overcome adversity, proven themselves through academic success and public service, and demonstrated the tenacity to excel within the profession.
