THE CURRICULUM

The OSU Music Department offers the following four degrees:

• Bachelor of Music in Music Education
• Bachelor of Music in Performance
• Bachelor of Music with Elective Studies in Business
• Bachelor of Arts in Music

Our degrees provide students the opportunity to develop artistically while securing the knowledge and skills necessary to be competitive in the music profession. The music program at OSU fosters the highest standards of music performance and scholarship to prepare students for success in their chosen music specialties.

RIGOROUS AND STIMULATING IN NATURE, THE STUDY OF MUSIC AT OSU PROVIDES AN ENVIRONMENT THAT BOTH CHALLENGES STUDENTS TO REACH THEIR ARTISTIC POTENTIAL AND PREPARES THEM TO FUNCTION IN VARIOUS CAPACITIES WITHIN THE PROFESSIONAL WORLD OF MUSIC.

Large enough to offer rewarding performance opportunities, the Department is also small enough to provide a welcoming and supportive atmosphere. Students have the opportunity to work one-on-one with nationally and internationally renowned artist/faculty and musical scholars who are truly dedicated to and invested in the success of each individual student.
